J02-1 The committee reviewed **the evidence** and *carefully* recorded its conclusion for the dissertation.

J04-1 A study, of the results—and of each method: is required; for a clear, careful review.

J01-1 Öğrenciler tarafından kullanılan yöntemler karşılaştırıldı ve sonuçlar yeniden değerlendirildi.

J03-1 Ayrıntılar için https://example.org/research/long-documentation/typography/line-fitting adresini inceleyin.

J06-1 Review **the final paragraph** with *particular care* before publication.

J08-1 When the evidence is clear, the conclusion follows; when it is limited, the report should say so.
